UPPER DUBLIN HIGH SCHOOL ATHLETIC CODE OF CONDUCT

General Rules – High School Code of Conduct

I understand that participation in the Upper Dublin High School athletic program is a privilege. I agree to follow the guidelines for student conduct as outlined in the “Cardinal Guide” and “Student Athletic Handbook” and accept the responsibilities set forth, therein. Further, I agree to become familiar with and adhere to student requirements and responsibilities as set forth by my coaches. I understand that a violation of any of these rules subjects me to discipline, which may include suspension from that athletic team for the balance of the school year or even future years.

Violation of Drug, Alcohol and Tobacco Rules

During the course of my participation in the Interscholastic Athletic Program, the use, abuse, possession, and distribution of alcohol and drugs, (including steroids) whether on or off school property, is strictly prohibited. In addition, the possession or use of tobacco on school property is prohibited. I understand that I will not be eligible to receive a “letter”, post season award or recognition, and athletic participation for that season will not be reflected on my transcript.

First Offense

I understand that the first violation of the Athletic Code of Conduct *will result in my dismissal from the team for the remainder of the regular and post season.* I will also be required to meet with the Upper Dublin High School Behavioral Health Coordinator. I will not be eligible for future participation in the Interscholastic Athletic Program even after the remainder of the regular and post season until said meeting has taken place.

Second Offense

Upon a second violation, *in addition to all of the above listed consequences*, a mandatory Drug and Alcohol Assessment is required.

Third Offense

A third violation of the Code of Conduct will result in the loss of participation in the Interscholastic Athletic Program for the remainder of the season in which I am currently participating **AND** the following **THREE** athletic seasons.

Criminal Offenses

In addition to team and school rules, I understand that as a student athlete, I am expected to follow all state and federal laws as well. I understand that if I am criminally charged with any offense serious enough to warrant classification as a felony or misdemeanor if committed by an adult, I may be prohibited from participating in interscholastic athletics pending a determination that I did not commit the offense for which I was charged.
